

Before & Afterschool

Miss Heather & Miss Kaylie

Dear Parents,

We all know that COVID-19 has put a damper on many things, including children attending school full time. We are immensely proud of how hard all your children are working and how great they have done with Zoom calls and completing homework. Miss Kaylie and I have been trying our best to make sure the children are attending and getting their schoolwork completed while they are with us. We strive for our children to not only do their best while at school but also while they are at daycare.

As you and I both know the children have many responsibilities. Examples would be they prepare their own lunch, pack their own backpacks, while getting themselves ready in the morning. With all these responsibilities, we still ask that your child comes in with a charged laptop or iPad, include the charger just in case, and their folder from school that has their paper homework in it (if they still have it). We also ask that your child brings in a pair of headphones for zoom calls and everyday iPad/laptop use, the volume in this classroom gets quite loud sometimes.

Electronics have been an issue in our room, the children are not allowed to have cell phones in our center. They may keep them in their bags, if they do not feel comfortable doing so, they may give them to Miss Kaylie or myself in the morning and we will put them somewhere safe until the end of the day. Ipad's and laptops are to be used for schoolwork only, if they are found on any form of social media, they will be asked to give their iPad's/laptops to a teacher, and a parent will be contacted. We have spoken to both Miss Mandi and Miss Kierstin about this issue and we all feel this is the best way to handle it.

If you have any questions or concerns, please do not hesitate to ask. We are in hopes that the children can return to school full time in the next couple months. We are both enormously proud of all their hard work and dedication, thank you all for your support!

Birthdays

Alexis turns 8 on the 16th
Ben turns 9 on the 28th

Events

Wear Green for our Saint Patrick's
Day party on March 17th!
