NEWS

If your child has finished all their homework, please provide extra material for them to work on during our scheduled remote learning time.

All children are responsible for the care of Ipads/ Laptops. We ask that they do not share them with other students. We have cleared a shelf to keep their Ipads/ Laptops

Instead of keeping them in their bags. This is a way to prevent them from getting lost and damaged.

If you have any questions, please feel free to contact us through our Procure App! Thank you.
