My child(ren) _____ have permission to attend the field trips that I have checked yes on. I understand that the cost **ALL** field trip must be brought in on (or before) June 25th. I also understand that if I have checked yes then I am responsible for paying for the trip regardless of if my child attends or not, as Stepping Stones has to give the number of children attending and is charged for those children even if they do not attend. If I check no and change my mind, I understand that there may not be space available for my child to attend the field trip, but there will be space to attend the center. Also, all return times are estimated, you may call during the day for an update. All lines highlighted in yellow are “stay trips” and are here at the center, ALL ages are (Toddler, Preschool, & Big Kids) included if parents would like them to be. **This form must be filled out and returned no later than June 25th.**
