

Meet Your Teachers

Miss Heather

Hello,

I have been working for Stepping Stones for 10 years now. I'm so excited to start this new school year with your children. We have lots of hands on crafts and activities to share with them!

Miss Kaitlyn

Hello,

I have been working for Stepping Stones for 7 years now. I've been in Toddler 1 for a few years now and can't see myself working anywhere else. We can't wait to begin teaching your children letters, numbers, colors, and more.

Important News

We look forward to beginning your children's learning career here at Stepping Stones. We will be incorporating hands on learning experiences through crafts and monthly baking. We are excited to really get to know each child in our classroom and provide them the necessary tools to develop and graduate on to Toddler 2.

If you have any questions or concerns, please do not hesitate to contact either Kaitlyn or Heather anytime throughout the year.
